

XV

Hello fans of the Gauley River!

Hope you have had a great summer season and of course now it is time to think about... **The Gauley!!** WOW, can you believe it? **The Gauley Race is celebrating its 15th Anniversary....** That is an amazing milestone for sure.

Having said that- we are getting all geared up for another awesome race! Some of you are finishing up a racing season, some finishing up a season out West, some are local and looking forward to Gauley Season here! **The race is...** Awesome whitewater, Sweet's Falls as a finish, great food, prizes, beverages, music....

The website is now up and fully loaded with the info and registration forms for you. **Online registration with Active.com** is up and running, and in the past there was a small fee for this service - **but no longer!** We suggest you pre-register to save a few \$\$ and help us plan. (We already have our first registrations...) There is also a printable form on the site, which can be mailed in. To go directly to the Gauley site click on www.gauleyrace.com .

This year we will again be able to offer a **spectator shuttle** from the tailwaters/ dam area to Sweet's Falls! This was a real success last year as you know... Thanks a lot to Appalachian Wildwater for helping us out with this...

We will be sending out a few more emails with sponsor information, links to partners, updates. It's going to be another awesome race, so plan now to join us, get a team together and bring a friend or two, to race against!! ***Spread the word...***

***How FAST can YOU
do the GAULEY???***
See you in September!

If you would like more information, have questions about the area or logistics then you can email us at info@gauleyrace.com
