71	Susan Kyle	K-1W	1	1

Ranking Methodology

Races are ranked by relative importance:

100% - Senior and Eastern Junior Team Trials and Nationals

95% - Western Junior Team Trials

85% - Other races with 9 or more wildwater competitors

80% - Other races with 6-8 wildwater competitors

75% - Other races with less than 6 wildwater competitors

The winner of each class (K1-M, K1-W, C1, etc.) earns 100% of the race ranking. If it's a race with a top value of 95%, the winner earns 95 ranking points.

The percent for other competitors is based on their percentage of the winners score. For a race with a top value value of 95%, an athlete who places second with a time that is 111.4% of the winning time.

The top 5 races (in points) for each athlete are used to calculate the total ranking points for the year.

There is a column in our calendar (www.usawildwater.com/races/2010Calendar.pdf) that shows the races with results included in the rankings.
