52	Darleen Lehmann	K-1W	13	1

Ranking Methodology

Athletes must compete in a boat that is over 8'6" long (i.e., no playboats) and be in one of the following classes: K-1M, K-1W, C-1M, C-1W, C-2M, C-2W. The ranking is by each of these classes, irrespective of the age of the athlete.

Races are ranked by relative importance:

- 100% - Senior and Eastern Junior Team Trials and Nationals
- 100% - Western Junior Team Trials
- 85% - Other races with 9 or more wildwater competitors
- 80% - Other races with 6-8 wildwater competitors
- 75% - Other races with less than 6 wildwater competitors

The winner of each class (K1-M, K1-W, C1, etc.) earns 100% of the race ranking. If it's a race with a top value of 95%, the winner earns 95 ranking points.

The percent for other competitors is based on their percentage of the winners score. For a race with a top value of 95%, an athlete who places second with a time that is 111.4% of the winning time earns 84 ranking points. Athletes with a time that is 200% or more of the winning time get a score of 1 point.

The top 5 races (in points) for each athlete are used to calculate the total ranking points for the year.

There is a column in our calendar (www.usawildwater.com/races/2012Calendar.pdf) that shows which races I have results from. If you know of any races that are not on the calendar, please let me know about the race and where to find the results.
